Company Profile

RNM Consulting is a unit of Xcelency Consulting Pvt. Ltd., one of the leading Internal Audit firms in India. We provide **Virtual CFO, Payroll Management and ESOP services** to clients across industry verticals and size.

Virtual CFO Services

Does your CFO have to leave the company urgently? Are you looking for an expert to assist your current CFO in Fund Raising or Automation? Or Is your company facing financial challenges in hiring a full time CFO?

Our CFOs can work with your team as an Interim CFO, Special Purpose CFO or Virtual CFO

Our Virtual CFOs will help you at every stage of your business. Whether you are starting from scratch or a well established company, we have financial solutions for all. At RNM Consulting, we offer Virtual CFO services to help you meet your expectations without having to burn a hole in your pocket. We have a flexible consultation model wherein you can decide the number of hours for which you require the assistance based on your business type, company size and scope of work which permits you to get the best expertise at an affordable cost.

Run on as little executive overhead as possible without missing out on making the right decisions

Here are some of the features of Virtual CFO Services:

-  Banking & Investor Interaction
-  Supervision of Accounting Records & Statutory Compliances
-  Financial Planning & Analysis
-  Enhancing cost efficiency
-  Enhancing Internal Control & Improvement of Risk Management
